

COLLEGE PLANNING GUIDE: GET A HEAD START!

First-years

Create Make a four-year high school course plan and make sure you are completing necessary courses to stay on track. Challenge yourself by taking difficult courses.

Record List all extracurricular, clubs, leadership, church, etc. activities you are involved in. Use this journal as a reference when filling out college and scholarship applications.

Save College is expensive and it's never too early to save.

Search Scholarships are everywhere, if you look.

Explore Summer camps, jobs, and internships all build a good college application. Make your summers count!

Practice
Get familiar with upcoming PSAT/SAT/ACT testing formats and content.

Sophomores

Consult Meet with your high school counselor to discuss college requirements.

Connect Attend college and career fairs to begin exploring your options and connect with admissions officers.

Tour A college visit is the best way to get a feel for a university you are considering. If you cannot travel, look for online virtual tours.

Research Look at colleges you are considering. Be sure to consider financial aid offered, majors, clubs, faculty to student ratio, cost of attendance, etc.

Consider Taking a practice SAT or ACT exam.

Juniors

Practice Take the PSAT and review your results to prepare for the SAT.

Choose Make a list of final college choices and request more information.

Investigate Check out scholarships, grants, and other financial resources you qualify for.

Test Take the SAT in the spring of your junior year.

Brainstorm Plan ideas for college entrance essays. Review your record of extracurriculars from the past four years.

Visit > Visit > Go on any final college campus visits and focus on the feel of each campus.

Important Create your Federal Student Aid ID username and password at fsaid.ed.gov. In October of your senior year, you will file your Free Application for Federal Student Aid (FAFSA).

FSAID.ED.GOV

Seniors

Register

Retake any standardized testing (if necessary).

Review Manual Know application deadlines and specific school requirements. Make sure you haven't missed any important early action deadlines or materials you need to submit

Request Ask for letters of recommendation and other documents early to give counselors/teachers/others enough time to write and submit their materials.

Attend Watch for Financial Aid Nights hosted in your community.

Complete your FAFSA

The Free Application For Federal Student Aid opens on October 1. This determines the amount of aid you are eligible to receive. Complete it as soon as you can. (Some colleges also require the

ČSS Profile.)

Finalize Complete all essays and collect completed application materials.

Submit

Be on time with all applications according to early action, regular, and rolling deadlines

Check! Watch your student email for admissions decisions

Make a Final Choice Once you decide where you will attend college, send your deposit and formally accept (if necessary).

Graduate Don't forget the importance of keeping your grades up in your final year! Schools DO check!

QUESTIONS TO ASK COLLEGES AND UNIVERSITIES

? ► ADMISSIONS What is your admissions criteria? What types of courses should I take prior to college Do you have any special visitation days? May I stay overnight in a dorm, attend a class, or speak with a professor or coach? How do I arrange that? When should I expect to hear about my admission status? Do you prefer the SAT or the ACT? How important are these scores in the admissions decision? I'm not sure of my major. When must I decide? What is your retention rate? How many of your first-year students return for their sophomore year? What's unique about your curriculum? Is an on-campus interview required? ► FINANCIAL AID What types of financial aid are offered at your school? Please tell me about your scholarships and grants. What is your Cost of Attendance and what does it include? (Tuition fees? Housing? Books and supplies? Personal expenses?) What is your school's priority deadline date for applying for financial aid? Is the Free Application for Federal Student Aid (FAFSA) the only financial aid application that must be completed for your school? Does your school have its own, separate financial aid application or is the CSS Financial Aid Profile application required? How will scholarships that I receive on my own (from private sources such as my parents' employers, my church, the community, etc.) affect the financial aid I may receive from your college? ? ► CAMPUS LIFE How big is your campus (number of students, size of campus)? What cultural opportunities are offered? Are first-year students permitted to live off campus or to have What is the average size of the first-year students class? How big will my classes be? Is there a job placement and career development center? What is the percentage of graduates placed successfully in jobs? What three words would you use to describe your college's student body?
